

Driving with Diabetes

Do you have Type 1 DIABETES?

Are you 18-70 YEARS OLD?

Do you DRIVE regularly?

IF YES, you may find www.DiabetesDriving.com useful!

➤ What is www.DiabetesDriving.com?

- An internet program developed to potentially help **ALL** drivers with Type 1 diabetes
- Interactive, very engaging, convenient, & confidential

➤ Participation in this NIH study involves:

- Random assignment to:
 - the Internet program group, or
 - the routine care group
- Sharing your driving experiences
- Completing online questionnaires
- No clinic visits – done entirely in your home
- Earning up to **\$270** in Internet gift cards & helping others with diabetes

Principal Investigator for the Study: Dr. Daniel Cox
